

TAKING ACTION

PART 1: 360° FEEDBACK ACTIVITY

Directions: Use the 360° Feedback Template to interview anyone who has a connection to the school. Ask them what they like about the school and take notes on the graphic organizer provided. Share your findings and come to some agreement on what you have learned about how others “see” the school. Also determine what can be done to further guarantee deep and purposeful affiliations between teachers, students, parents, and administrators.
