

TAKING ACTION

TASK ONE: WALK-THRU

Directions: Complete several Delivery Phase Walk-Thru templates to get a sense of how teachers in your school engage student thinking during the instructional Delivery Phase of teaching.

See Figure 8.1

First Note: What Works Now:

Then list specific barriers to incorporating Delivery Activities in classroom:

TASK TWO: DELIVERY RUBRIC

Directions: Complete the Delivery Rubric below and informally discuss your assessment with colleagues.

Based upon recent observations, the following is appropriate:

- Celebrate and recognize exemplary delivery strategy use throughout the school
- Organize faculty study-group teams to support experimentation with delivery strategies in classrooms
- Ask for assistance on delivery use from district-level support professionals
- Other
